

ADOPT-A-STREET PROGRAM

The City of College Station, by and through the Community Appearance Committee recognizes the need and the desirability of litter free streets within the city limits. Organizations are encouraged to adopt sections of roadways to pick-up litter for at least once a quarter not more than once a month. The group must agree to accept responsibility for litter pick-up for a period of two years.

The City will make and install a large blue 36" x 36" adopt-a-street sign with the City's logo and the name of the organization on the sign at no cost to the participants. This is a great way to contribute to the community and get your organization publicized for two years. Participants shall wear City supplied reflective safety vest during trash pick-up.

Frequently Asked Questions

Q. Where do I get information for the adopt-a-street program?

A. **You can call Public Works for information (979) 764-3690**
